Dear Paddy,

Thank you for the wonderful presentation as Mrs. Claus for the Ice House Mall Santa Arrival on Saturday, December 6th. You were fantastic! The children and their parents loved the performance and storytelling. It is amazing that the children didn't budge for the 50 minutes! Of course, your wonderful acting and inviting them to help you in the acting out of the stories made it all that more interesting and fun. Thank you for staying the extra time to talk to the children while they waited in line to see Santa. We would love to have you back next year for our Santa Arrival as Mrs. Claus. Next years date would be Saturday, December 5 of 2009 please reserve the date and call me if you can return.

Again, thank you for the memorable and outstanding performance. All 110 children and parents truly enjoyed the event.

Have a wonderful holiday season.

Regards,

Maria Straussner
